Personal Statement

A self-driven, enthusiastic, and enterprising Economics and Statistics graduate, with a key interest in Data Science and Analysis. My meticulous, and efficient approaches towards tasks ensure that I work on projects till completion. I am currently seeking an opportunity to work as a Data Scientist where I can enhance and grow my technical skills to a higher level.

Technical Skills

Strong: Python, STATA

Experienced: R, SPSS, MICROSOFT EXCEL, MICROSOFT POWERPOINT

Personal Skills

- Strong communication skills that ensure proper workflow in any work environment.
- Resoluteness that allows the ability to do tasks under extreme pressure.
- Strong adaptability skills, can easily conform to changes in the workspace.
- Team player to ensure effective cohesion when working on projects.
- Social, can easily blend in with people from different backgrounds.
